## Valentine's Day

St. Valentine's Day falls on February 14th of each year. Although the name is Saint Valentine's Day, most people refer to the day as Valentine's Day, or even the Feast of Saint Valentine. It was originally a day to celebrate Saint Valentinus, who performed weddings for soldiers who were not allowed to marry. He was imprisoned for this, as

well as for ministering to Christians. Saint Valentinus wrote a letter to the daughter of his jailer before he was executed. His letter was signed 'From your Valentine'. He was buried on February 14th. Valentine's Day was not associated with romantic love until the Middle Ages. By the 1700s in England, it began to resemble the Valentine's Day we know today. At this time lovers began to express their love with gifts of flowers, candy and cards, which were called 'valentines'.

**HAPPY VALENTINE'S DAY TO ALL**
