Helpful Hint from Max...

Cricket time & temperature:
Did you know how to calculate temperature with cricket chirps? Just count the number of times a cricket chirps in 14 seconds and add 40 to it. The total is the temperature in Fahrenheit. Thanks Max

Christmas Decorations...

Thank you to all who attended the decorating of St. James Church in Boardman Park. Now it's time to take down those decorations on **Saturday, January 10th** beginning at **10:00**. Many hands will make the job go quickly so we hope to see you there.

IMPORTANT BOARD MEETING...

There will be a Board Meeting on **Saturday, January 10th** from **9:00 to 10:30**. We would like to have all committee chairs try to attend this one time located at Canfield Library. Others who are interested in attending are always welcome. If you have questions, please contact President Lori at 330.519.9051.

HHGG Minutes...

Be sure to read the minutes from our meetings as they always provide further details of the activities of our club.
